

Ways to support your Year 2 child.

Spring Term 1 and 2

If you would like to support, extend or challenge your child further this document will guide you to additional resources and ideas that will support or extend the work they will do in class

English

Reading – Visit your local library to find some interesting non-fiction books or different stories that you can read together.

We are reading The Emperor's Egg in Spring Term 1 click [here](#) to listen to it being read aloud.

Oxford Owl – You can log in to Oxford Owl using the details below to access different books for your child to read.

Username – hempclass2

Password – peg4

Grammar and Punctuation – Click [here](#) to play 'Karate Cats' and build on grammar and punctuation knowledge.

Maths

Click the links below to find lessons and games to support your learning in maths.

Numbots – click [here](#)

Counting in 2's, 5's and 10's – click [here](#). Select x2, x5 and x10.

2D and 3D shapes – click [here](#) for lessons on shape.

Other subjects

Music

Watch a musical or film and listen to how the music and songs can help to tell the story while creating different moods.

Science

Visit a zoo or farm park, look at the different habitats that the animals are from originally and how the new habitats are similar/ different. Look at the features of the animals and consider how that would make them suited to their habitat.

Make a bug hotel. Consider what features will be needed to ensure it is a suitable habitat for different insects.

Computing

Click [here](#) to find out about algorithms and have a go at some quizzes and games.

Design and Technology

Have you got any puppets at home? Have a look at how they are made? Do they have any special features? Make a story up and act it out with the puppets.

Ask a parent or grandparent to help you practice your sewing skills.

Geography

Look at the road signs around you to find out which road you live in. Have a look at some post that comes through the door to see how your address looks.

Find out facts about The Arctic Circle and Antarctica. Click [here](#) to look at Oak Academy lessons about what it is like at the North Pole and South Pole.

History

We will be learning about explorers. Click [here](#) to find out more about some famous explorers.
